Guidelines for Completing the Real Estate Fraud Complaint Form

Before filling out the attached complaint form, please take the time to read these guidelines. They will help you to understand our function, and we will be better able to understand and act on your complaint.

What We Can Do:

The Alameda County District Attorney's Office Real Estate Fraud Unit investigates real estate fraud related cases occurring in Alameda County. The types of cases which will be considered for investigation by the Real Estate Fraud Unit are frauds that result from various fraudulent real estate transactions and/or schemes such as, submission of forged loan applications; fraudulent transfers of title of real property; recordation of fraudulent real estate documents; home equity sale contract fraud, and mortgage foreclosure consultant fraud.

When we receive a consumer complaint, we review all the information and the supporting documentation that is included. If the complaint does not meet the above described criteria to open a case, we will do our best to refer you to an agency that will appropriately handle the type of matter involved. Many real estate consumer disputes are not appropriate for government action, but are altogether proper for private legal action. It is generally a good idea to consult with private counsel to explore private legal remedies that might be available.

This office is not legally permitted to represent individuals in civil matters, take action in order to obtain money owed a consumer, help cancel any debt due on a contract that was signed, resolve or mediate individual consumer complaints, or obtain any other personal relief. Those functions are performed by a number of other government agencies established for that purpose.

If you believe you have been a victim of real estate fraud, or you have suffered a loss involving your home or purchase of a home due to fraud, please complete this complaint form.

How You Can Help Us:

- A. Write or type a **one-two page** summary of your complaint and attach the summary to the complaint form. Please include the following information:
1. Tell us **what** happened in chronological detail and be specific.
 2. Tell us **who** you think the person(s) or company that is responsible for the loss, conversion(s) or fraudulent act.
 3. Tell us **where** (address, city and state) the incident, conversions or act(s) took place. Please include property address(s) involved in the fraudulent transaction(s).
 4. Tell us **when** and **how** you first became aware that you may have been defrauded. If individual(s) or a company is named in your complaint please list exact dates of contact. If someone else made you aware of the potential crime, please include the person's name(s) address(s) and telephone number(s).
 5. Tell **how** you know the representations were false or how you know money was misused.
 6. Tell us what your actual financial loss is, if known. Do not include lost interest, unrealized profits or missed opportunities.
- B. Documentary evidence is especially important; therefore, please include photocopies of all documents and materials (*contracts, agreements, certificates, notes, deeds, correspondences, legible copies of involved checks, front and back, escrow and/or loan documents, etc.*) you wish us to review. **Please retain the originals for your records.**
