CLINICAL DIRECTOR

\$120,972.80 - \$147,326.40 Annually
Bargaining Unit: ACMEA (R45)

DESCRIPTION

Under the general direction of Executive Director, the Clinical Director will act as the clinical authority of the Trauma Recovery Center (TRC) program to establish clinical systems and standards of care while providing safe, effective, and efficient care to victims who have experienced direct trauma as a result of crime. This position will oversee TRC clinicians as they provide victims of crime with trauma counseling and assistance with any other immediate needs such as: shelter and victim-related support, victim compensation, specialized assistance, and substance abuse treatment, sexual assault, domestic violence services or legal advocacy when appropriate.

ESSENTIAL DUTIES & RESPONSIBILITIES

To be performed in accordance with ACJFC/TRC Policies and Procedures.

- Responsible for development of planned strategies for the growth and client workflow of the TRC.
- Ensure program sustainability, which includes reviewing program services and making changes where necessary to meet the program's clinical needs.
- Build and maintain relationships organizations, fostering partnerships in Alameda County.
- Collaborate with program clinicians to provide and improve trauma services to victims of crime.
- Provide clinical supervision for clinicians who are accruing hours toward their professional license.
- Provide orientation and training to new clinical supervisors and joint-agency clinicians.
- Manage caseloads to ensure clients are offered timely and excellent quality mental health services.
- Identify and maintain an awareness of client's overall needs for trauma-informed care in individual, group, or family format.
- Work collaboratively with the clinical team to establish desired treatment plans.
- Complete comprehensive intakes and needs assessments with assigned clients.
- Provide clients with trauma-informed case-management and supportive counseling to ensure the successful transition of clients and their families to community-based resources.
- Lead and attend weekly clinical staff meetings, joint partner meetings, and CalVCB meetings.
- Develop and deliver training programs to law enforcement, hospitals, etc. who might be referral sources for the TRC.
- Complete and maintain clinical records following HIPAA-compliant regulations.
- Screen and hire new clinical and non-clinical staff.
- Provide reports and records to support activities conducted to fulfill grant requirements.
- Develop, monitor, and modify treatment plans in collaboration with an interdisciplinary treatment team.
- Facilitate methods for promoting excellent clinical performance and dealing with poor performance.

MINIMUM QUALIFICATIONS

Education:

Possession of a master's or doctorate degree from an accredited university in the following disciplines: Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), or Ph.D. Psychology or Clinical Psychology, licensed by the State of California Board of Behavioral Sciences (BBS), the California Board of Psychology, or the Association of Social Work Boards (ASWB).

Experience:

Five (5) years or more of clinical experience providing psychological services to a wide range of patients, with at least two (2) years of experience in an integrative behavioral health services environment; and/or Former experience as a Clinical Director; and/or the equivalent of two (2) years or more as a full-time as a Senior Clinical Psychologist, MSW, LCSW or four (4) years or more as a full-time Clinical Psychologist, MSW, LCSW working in a Mental Health Clinic, Trauma Recovery Center, similar institution. Two (2) years or more clinical administrative experience leading integrative and multidisciplinary teams. Extensive experience treating patients of different ages, cultural and socioeconomic backgrounds.

KNOWLEDGE, SKILLS & ABILITIES

NOTE: The level and scope of the following knowledge and abilities are related to duties listed under the "Examples of Duties" section of this specification.

Knowledge:

- Detailed knowledge of policies and regulations in the clinical field.
- Principles, practices, funding sources and administrative requirements in the program area to which assigned.
- Principles and practices of program planning and evaluation.
- Principles and practices of direct client service delivery.
